JOY a celebration of local disabled artists

Part of Hammersmith & Fulham ArtsFest 2018

JOY is a new strand to the Hammersmith and Fulham Arts Fest celebrating local disabled artists within the local community. JOY will be showcasing not only those disabled artists already established within the community, but will seek and reach out across the community to emerging disabled artists and those that have not previously been involved in the arts.

The JOY program of Hammersmith and Fulham ArtsFest will run at the Lyric Hammersmith from Wednesday 6th June – Saturday 9th June. We are seeking disabled artists to fill our program, providing music, theatre, dance, art, film, creative workshops and more over this period of the festival.
